Ira Cook Jr., Principal

Mr. Cook's career has touched all phases of the educational process at Oceana High. He graduated from OHS in 1959 and returned as a teacher in 1962. He advanced to the position of vice principal and in 1971 became principal.

Mr. Cook holds a BA degree from Concord College and an MA in history and administration from Marshall University.

Mrs. Ruby G. Ford came to Oceana High School in 1967. She has a MA in administration and is now serving as Vice-principal at OHS. After talking with Mrs. Ford her comments are: "I have enjoyed my five years as assistant principal of Oceana High School. It's a great school with an outstanding faculty and a student body that makes all of us proud."

THE BUSINESS OF OCEANA HIGH SCHOOL IS THE BUSINESS OF OCEANA

We salute the businesses of Oceana who have faithfully supported OHS with their money, time, effort, volunteer work, and moral support. They are our friends as well as our benefactors.

In this tribute to the business people of Oceana, that have contributed so much to the support of the many activities at OHS, it is impossible to list all of the contributions they have made. The space is not available, but for the record we wish to name and recognize them for their service to us.

One of the oldest businesses in Oceana is Basconi's Hardware, that opened in the old Kelly Building in 1943 by Dominic Basconi. Dominic came to America from Italy in 1912, and served the United States in World War I. In 1920, he married Palma Copana and six children were born of this union. He began his business at Bud, W. Va., in 1920, and came to Oceana in 1943. His two sons, Americo and Johnny, took over the business in 1948, and operated it until 1952. The business closed until 1958 at which time a new building was built by Americo, and operates now as Basconi's Hardware. Americo married Sylvia Atilli in Sept. 1949. They have three sons, David, Edward and Wayne, all successful graduates of OHS. It is the hope of Americo and Sylvia that one of the sons will continue in the family business.

Island Creek Stores, formerly General Stores, has become a familiar landmark to all Oceana residents. General Stores opened in 1941, and served Oceana as the only general store. In 1963, Island Creek Coal purchased the building, and continues to give the good service it is known for. Mr. Les Lively has served as store manager since 1946. Mr. Lively is active in many civic affairs and has been most cooperative with the students and faculty at O.H.S. The store is located in the middle of Oceana on Cook Parkway.

Hopkins Supermarket opened in April 1953 in the building that now houses Mannings Super Market. A new building was built in June 1957 on Rt. 10 near Oceana High School. Herman and Phyllis Hopkins, owners, have offered efficient and courteous service, and met the shopping needs of many of the people of Oceana and surrounding areas. They have been great supporters of OHS, and provided full time and part time jobs to many Oceana High students.

Laxton's Oceana Trading Post has operated in Oceana by Frank Laxton, Jr., since 1951 in various locations.

Mr. and Mrs. Basconi and Wayne

It is now located at the junction of Rt. 10 and 85. Mr. Laxton now serves as Mayor of Oceana, and was instrumental in establishing the Laurel Park and Pool recreation area. His son Steve works with his father in the business and hopefully will carry on the family business. Mayor Laxton has been one of OHS's most generous benefactors.

Cook's American Motors, owned and operated by Otis Cook, has served Oceana since Dec. 1959, when Mr. Cook was associated with Crozier Ford, and later part owner of Cook Ford Sales. His son, Donnie, and son-in-law, Joe Blackburn, work in the family business and, if tradition continues, they will serve Oceana for many years to come. The Cook Motors business is located on Cook Parkway in an attractive building designed to serve the community and the beauty of our Main Street. Mr. Cook and his wife, Lucille, are active in many civic and church affairs, and have contributed much to our town and school.

Robert's Motel and Restaurant, owned and operated by Judge and Connie Roberts, began operation in May 1964. The motel and restaurant provide a much needed service to Oceana residents and transients because of the lack of sufficient lodging and places to dine. Connie's Gift Shop, also operated by Judge and Connie Roberts, opened in 1975 and carries a line of Hallmark gifts and cards, and is located near the motel in the middle of Oceana on Cook Parkway. It provides a much needed service, since it is the only one of its kind in this area. The attractive building adds much to our town.

Oceana's only tavern Elaine's Miner's Inn, formerly Sylvia's Miner's Inn, has been in operation since 1940's. It is owned and operated by Mrs. Elaine Matney, who took over ownership in 1972, and whose son, John, is an O.H.S. graduate and outstanding athlete. A tavern efficiently operated serves one segment of our society and has long been a custom in our culture. Ms. Matney unfailingly contributes to OHS functions and has been an ardent sports fan.

Piggly Wiggly, managed by Hugh Miller since 1948, and located in the lower end of Oceana, was, for many years, a faithful supporter of OHS. In January of 1976, the business ceased to operate and Mr. Miller and his wife, Nora, moved to Florida. They were very active in community affairs as well as serving the public, and are missed by their many friends and OHS.

Due to the industrial mining boom, increase in population and lack of adequate housing, a new development came to Oceana in 1967. G. W. and Ruby Ford established the first Mobile Home Park on Rt. 10 near

Lynco in 1971. Both units provide housing for approximately 70 families. They are attractive mobile home parks, and add much to the community. Mrs. Ford is employed at Eastern Associated Coal Corp. They have a son, Steve, a graduate of OHS.

Cook Ford Sales, the oldest car dealers in the area, owned and operated by Bob Crouch, Bill Lugar, began operations as Crozier Ford in 1946. They moved into the new building across from OHS in 1954. The successful business, and impressive buildings, have not only

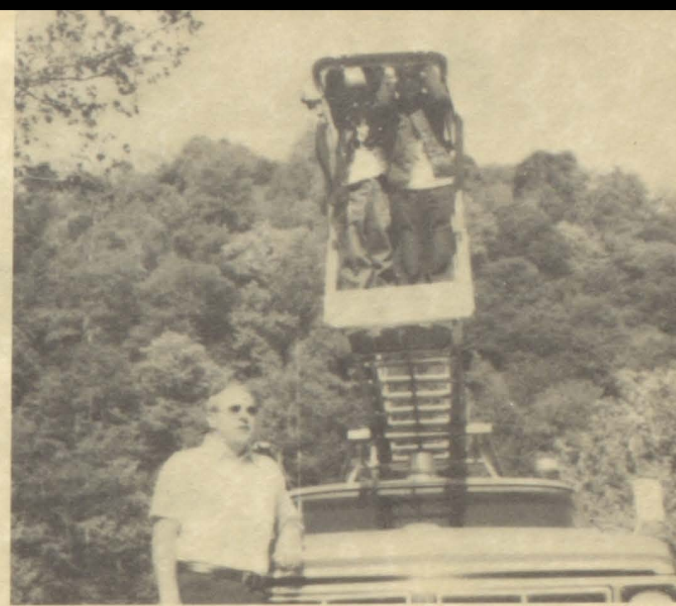

* Elaine and John Matney *

put a Ford in almost everyone's future, but has provided employment for innumerable people. Two of the oldest employers are Bill Harvey (1947), and Bryant Whisinant (1960). Included in the business are the used car lots in the middle of town and Oceana Mobile Homes Sales. All of these people are noted for their friendliness and interest toward OHS.

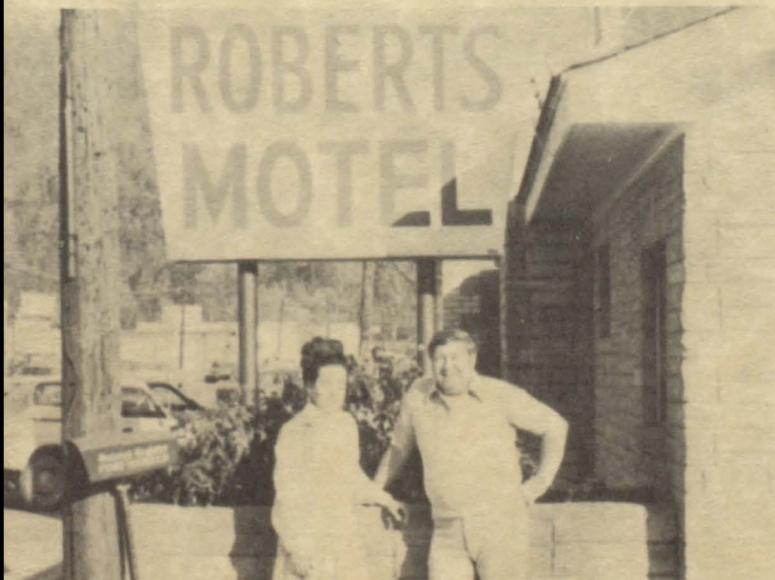

Another prominent businessman in Oceana is Jim Lester. He owns and operates the Toney Fork TV Line Service (1968), and the Country Junction Town House Apartments (1976). Mr. Lester and his wife, Norma, both active in community and church affairs, have always shown a great interest in the school activities. For many years Mr. Lester volunteered his services as an announcer at all of Oceana's home football games. They have volunteered many other services, and can be counted on to contribute when called upon. They have two sons, Barry and Brady, future businessmen of Oceana.

The Oceana Medical Center, located on Rt. 10 above OHS, is owned and operated by Hygeia Facilities Foundation, Inc. The new center was opened in May 1963, but began in the early 1950's in the old Union Hall building. The present administrator is Michael Paynter. Two nurses that began with the Center are Nancy Gunter and Virginia Rotenberry. The Center provides a much needed medical service to the citizens of Oceana and the surrounding areas. The Clinic is well staffed with 6 full time doctors, and 6 nurses, a pharmacist, a lab technician, and a competent clerical staff, supervised by Ms. Ruby Meadow, all on duty 24 hours a day.

Judge and Connie Roberts

BOARD OF DIRECTORS: H. Hopkins, D. Meadows, W. Lugar, E. G. Shannon, D. Belcher, J. St. Clair, J. Ritchie, O. Cook, C. Toler, and D. Anderson.

One of the newest businesses established in 1972 by a group of prominent businessmen is a great asset to Oceana - THE BANK OF OCEANA. It is doing an astounding business of 9 million dollars in less than 4 years. The staff and officers of the bank offer efficient, courteous service to all of its customers in a beautiful building and cheerful surroundings. Danny Anderson, Executive Vice-President and all of the Board of Directors have shown a great personal interest in OHS activities, and have contributed much to our well-being. WE WELCOME YOU!

Otis Cook and customer, Mrs. Blankenship
